

#### General Specifications:

**Metal:** All Pipeline Series 15 bollard frames are constructed of 6" schedule 40 pipe. The decorative castings are made with recycled aluminum. The metal is coated with Polyester, electrostatically applied and baked at a high temperature to produce a "mar-resistant" finish.

#### Options:

**Installation:** The Pipeline 15 Series bollard is available as permanent and removable

**Permanent:** The PB15-9P bollard installs directly into concrete. See detail 'A' above.

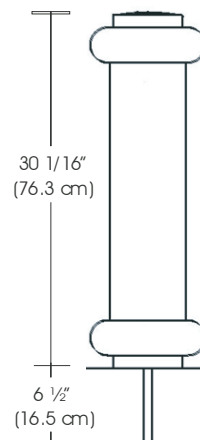

**Removable:** The PB15-9R bollard is fastened onto an in-ground sleeve. See detail 'B' above.

**Metal Colours:** Make your choice from one of eighteen standard paint colours. Or, for an additional charge, choose from one of over 160+ custom paint colours. Standard colour chips and Custom colour charts are available upon request.
